Amusing Antics Witnessed at High School Initiation

Friday, September 30, was a hilarious day for the students of Didsbury High School and also for the citizens of the town when the initiation of new students entering High School took place.

The Freshmen arrived at school at one o'clock dressed up for the day's fun. At two-thirty the students filed to main street, where they were stationed at posts in front of Law's Drug Store, Devine's Billiard Hall, Ranton's, McCullough's Clothing and the Royal Bank. The highlight of the afternoon was the barber shop quartet comprising Cameron Wordie, Bob Hall, Gordon McNaughton and Don Burgess, with Allan Freeman as shoeshine boy.

Four Freshmen held up the Bank (so that it wouldn't fall down), while Mrs. McCullough (Jack Fleury) sold hats to some bosom pals in front of McCullough's Clothing Store. The ditch digging crew had some new helpers—or perhaps hinderers—while the initiated were shovelling dirt.

The senior students gathered round the Freshmen at the Bank intersection and sang "For They are Jolly Good Fellows."

The day was brought to a close with a party and dance in the Lions Hall in the evening. The program consisted of relay games, sing songs and "Truth or Consequences." The Freshmen all payed the severe penalty when sent to do such things as trading a quart of calf meal for a quart of milk, and so on.

After lunch the dance commenced with a few pointers on how and how not to dance by Anita Andrews and Don Robertson. Square dances were also enjoyed. The Home Waltz brought the first High School party of the season to a successful close.

Gordon Wordie Heads Knox Y.P.U.

The Knox United Church Young People's Union held its reorganization meeting in the church basement on Sunday, October 2, at 9 p.m., and the following officers were elected for the coming year:

President, Gordon Wordie.

Vice-President, Wilfred Miller.

Sec.-Treas., Louise Bateman.

Culture Convenor, Ruth Bainbridge; Citizenship Convenor, Winnie Miller; Missions Convenor, Ken Gillrie; Fellowship Convenor, Doris Bainbridge.

The group cordially invites all young people in their 18th year or over to come and join with us following church services on Sunday evenings.

SUCH WAS LIFE

In 1894 a small party of land seekers drove out to look over the country from six to eight miles east. There were no trails or land marks except the old Edmonton trail winding every direction to avoid sloughs and creeks. Iron stakes were driven at the four corners of each section, designating the section, township and range. Some of these were hard to find among the thick grass.

During their meandering from place to place a fire was noticed at some distance, but not knowing the action of prairie fires and the wind it creates, they paid little attention for the time being. However, a sudden change of wind brought the fire towards them—and then what? "Anybody got a match?" was the encircling question. Among the party were two somewhat pocket-worn matches. They wanted to back fire, but the first match went out. The wind blew out the second one, and the final chance was with a stub of a third. This they lit under cover and started a small piece of paper and soon had a burned patch of prairie to get inside of. The grass was heavy and the smoke and heat were intense, but they made a run across the flame under a blanket. The horses jumped under protest and the party was safe.

P.S.—Following the above incident a general warning was issued for everyone to carry matches in future.

PIONEER CITIZEN

DON'T TOUCH THE FLARES

It was reported Saturday morning that someone had interfered with two flares which had been set out to warn travellers of the danger to open ditches on the water and sewer line. The flares were thrown into the open ditch and as a result, no warning sign was visible to night travellers.

These flares are set out as a danger signal and should not be tampered with. In fact it is a very serious offence to remove them and a warning is issued that anyone who is apprehended for tampering with flares of any kind will be prosecuted.

MISS VERA BEFUS ENTERTAINS RUGBY BLUEBELLS GIRLS' CLUB

The Rugby Bluebells held its annual meeting at the home of Miss Vera Befus on September 3. Viola McNaughton was elected president and Vera Befus secretary-treasurer. The afternoon was spent in making crests.

It was decided to hold a dance at the Rugby hall on October 21, to raise funds for the group. Next meeting will be held at the home of Ethel Blain on October 29, when a quilt will be tied.

Art Centre Will Be Formed In Didsbury

On Saturday, October 1, Mr. D. Campbell of the Extension Department of the University of Alberta officially launched a Community Arts Centre in Didsbury at a meeting held at the home of Mrs. Art Reiber. Delegates were present from Olds and Didsbury. Mr. Campbell explained that the cost of employing first rate tuition is shared by the members and that slides, exhibitions and a complete library were available for the cost of postage alone. A special rate is offered on all necessary supplies.

An organization meeting for a Community Arts Centre in Didsbury will be held in the Home Economics room of the Didsbury High school on Friday, October 7, from 7 to 9 p.m., to which everyone interested is cordially invited.

Didsbury has progessed to a great extent in many ways in the last few years, but until now little has been done to precipitate an interest in the Arts — without which a town cannot really grow. To those with a desire to express themselves; to those whom an artistic career is anticipated, or to those people who are far-sighted enough to wish to develop a hobby—this opportunity is invaluable.

The Extension Department is a non-profit organization wherein the facilities of the University may be brought to rural communities. Few people realize that, due to the tireless enthusiasm of a few men, Alberta is the only province to offer such opportunities in cultural activities. Community centres in music, drama and art are mushrooming from the far north to the border and due to negligible costs everyone may now take advantage of these schools. It is due chiefly to the latter that Alberta is now considered the centre of a great cultural growth in the western states.

Fred Batten Home Destroyed By Fire

Mr. and Mrs. Fred Batten had the misfortune to lose their home by fire on Sunday evening. Hardly anything was saved as the fire had gained such headway before it was discovered. The blaze started in the attic and spread so quickly that in less than an hour the house was completely destroyed. Wilfred Richardson, who is employed by Mr. Batten, suffered minor burns but the rest escaped unhurt.

Mr. and Mrs. Batten are staying with Mr. and Mrs. E.W. Lowrie, and the children with Mrs. M. Campbell Jr., while a partially completed chicken house is being finished as a temporary home. The destroyed residence was built many years ago, being the former home of Mr. and Mrs. R. Lynch.

RUGBY F.U.A. DISCUSSES CROWS NEST PASS AGREEMENT

At a meeting of the Rugby F.U.A. Local, held at the home of Doug Hosegood on August 7, discussion centered around the Crowsnest Pass agreement and the following resolution was passed:

Whereas the Crowsnest Pass rate has been proven of vital importance to the people of the prairie provinces, and whereas there is a move at present to do away with this legislation.

Therefore, be it resolved we urge the government to see to it that the Crowsnest Pass agreement be continued.

The next meeting will be on October 26 at the home of P. Hosegood, and will take the form of a Hallowe'en social.

MONDAY A DOMINION HOLIDAY

Monday, October 10, is Thanksgiving Day and a Dominion holiday. All stores will be closed, so prepare for the long weekend by stocking up the larder early.

East Calf Club May Have to Disband

A meeting of the East Didsbury Calf Club was held at the Jutland school on Friday, September 30, with Mr. Sandy Brander, Mr. Hugh McPhail and a very few members present. The president and secretary were among the absent and Gladys Sheils acted as president, with Gordon Stiles as acting secretary.

Because of the feed shortage a number of members have withdrawn from the club and if membership is not increased the club will be forced to disband. Another meeting will be held at the Jutland school on Thursday, October 13, at 7 p.m., and it is hoped that enough girls and boys between the ages of 12 and 21 will be present as members to enable the club to continue.

Dave Walders, Keifer Stauffer and Gordon Caithness left Saturday on a sheep hunt in the Rockies north of the Brewster.

WILLIAM CABLE, 45, DIES IN DIDSBURY SEPTEMBER 27

William Cable, 45, farmer of the Didsbury district, died in Didsbury on Tuesday, September 27, and funeral services were held Thursday from the United Missionary Church, with Rev. Gordon Falk of Sundre and Rev. E.G. Archer officiating. Didsbury Funeral Home was in charge of arrangements.

Born in Lipno, Poland, he came to Canada 20 years ago and to Alberta 19 years ago. He farmed at Turner Siding, Okotoks, Black Diamond and for the past three years at Sundre. He moved to Didsbury this summer.

He is survived by his wife, Alwina; three sons, Roy, Turner Valley, Victor and Gordon, both at home; and one sister, Mrs. Amelia Malzan, Redcliff.

LETTER TO THE EDITOR

Hunters Destroy No Shooting Signs

Dear Editor,

Articles such as the one I have written have appeared in your paper before, and without a doubt will appear again in the future. Nevertheless, with your permission, I would like to voice my opinion on a problem which confronts us farmers and ranchers, particularly during the hunting season.

In the past many of us here in the country have found it necessary to hang up "No Shooting" signs. Some of the readers will say, "that fellow must certainly be an old crab," or "I guess he wants all the game to himself."' This is certainly the wrong attitude to take, I know there isn't one farmer in a hundred who would say, "No, you can't hunt on my land," if you would ask him before you venture into his fields and pastures. There's a reason for those signs—yes, some very good ones. Valuable livestock has been shot, gates have been left open and as a result stock has strayed into grain fields or onto a busy road. Are better reasons for "No Hunting" signs needed?

Last Wednesday, September 28, sportsmen visited our neighbor and, of course, came upon some signs. They simply ripped them from the fence, smashed them and proceeded to hunt. Upon seeing such a sight what farmer wouldn't feel like taking "old Betsy" from the hook above the door, together with some No. 4 heavy load, and doing some hunting for something much smaller, in our view, than upland game. Why didn't these sportsmen ask for permission to hunt? It would have been granted, together with the general whereabouts of game. We in the country will be obliging if you sportsmen will meet us half way.

Should the party responsible for the incident mentioned above care to paint new signs and post them here, six miles west and north of town, you are welcome to come back and we will do our best to make your afternoon in the field a successful one.

Thank you.

NAME UPON REQUEST

School Trustees' Convention Drafts Important Resolutions

The second annual convention of the Olds School Division Local Trustees' Association was held in the Lions Hall at Didsbury on Wednesday, September 28, with some sixty delegates in attendance.

Registration of delegates took place between the hours of 9.00 a.m. and 10:00 a.m., after which Chairman George Law called the meeting to order.

Mayor Lynch-Staunton heartily welcomed the delegates on behalf of the Town of Didsbury and in a very effective manner stated a few of the modern responsibilities which educational authorities must face today.

The chairman of the Olds School Division Board, Mr. Jack Robertson, replied to the welcome address.

At this point in the convention Mr. A.G. Andrews, General Secretary of the Alberta School Trustees' Association, was introduced to the meeting by Superintendent X. P. Crispo. Mr. Andrews delivered a stirring address to the convention, covering many phases of the educational problems, the major points being:

(1) Educational standards should be improved.

(2) Teachers should be paid adequate salaries.

(3) Teacher training be improved.

(4) Revenues from school grants should amount to 50% of costs of school operation.

(5) Revenues from school lands should be devoted entirely to education.

(6) The necessity of impressing upon Provincial and Federal members their responsibility to education.

(7) Present school taxes were at the peak and additional provincial grants were needed as a measure of relief.

A general discussion followed on the problems elaborated upon by Mr. Andrews. The convention appointed a resolutions committee composed of J.C. Folkman, A. G. Butler and Mrs. Buckley to draft a number of resolutions arising from the meeting.

The morning session adjourned at 12:00 noon.

The afternoon meeting convened at 1:30 p.m. Owing to the absence of a representative of the Department of Education to address the meeting, Mr. Ed Wiggins, principal of the Didsbury school, gave a resume of prevailing conditions in the local school, showing very definitely that the present enrollment at Didsbury is far too large for the classroom space. In the last few years school attendance at Didsbury has been rising yearly with the inevitable result of a decided overcrowding at the present time. This overcrowding occurs both in the classroom, playground and playroom space which can be relieved only by a larger school.

Mr. Wm. H. Davies, Vice Chairman of the Olds School Division Board, then outlined the problem facing the divisional board regarding more school accommodation in the town of Didsbury.

Mr. T. Morris, the sub-divisional trustee for Didsbury presented the figures to show the urgent need of a new school being erected at Didsbury so that the increasing enrollment can be properly cared for as they pursue their education.

At this point in the convention the resolution committee presented the following resolutions which were approved by the delegates in attendance:

(1) Whereas: The continued increase in taxation for school purposes is causing grave concern to the taxpayers of the Province, and whereas: In the opinion of the ratepayers of the Olds School Division, school taxes have reached the amount of inability to pay.

Therefore, be it resolved that this convention of the Olds School Division Local Trustees' Association earnestly request the Provincial Government to contribute at least 50 per cent of the over all cost of elementary and secondary education from the General Revenue of the Province.

(2) Resolved that the Provincial Government be requested to bring pressure to bear on the Federal Government to release a substantial portion of the School Lands fund which presently amounts to approximately $12,000,000 and is invested in Dominion Bonds for the purpose of establishing a fund from which School Districts can borrow at a low rate of interest for the purpose of providing new school accommodation which is so urgently needed in all parts of the province.

(3) Whereas, a large part of the western section of the Olds School Division comprises sub-marginal lands and, whereas, the cost of educating the pupils in this section causes a substantial increase in school taxes in the whole division.

Therefore, be it resolved that the Provincial Government be requested to provide special financial assistance to the division for the administration of the schools in these sub-marginal districts situated west of Range 4.

(4) Whereas, the general revenue of the province is increasing rapidly each year from oil leases and royalties.

Therefore, be it resolved that the Provincial Government be requested to make capital grants towards the cost of building new schools without the imposition of additional taxation.

Copies of the above resolutions were to be forwarded to the local M.L.A.'s and M.P.'s.

The delegates then divided according to the divisions they represented for the purpose of electing a new executive. The following Executive Board was elected:

President, Mr. J. C. Folkman, Didsbury, Division 2; Secretary, Mr. Harry McCullough, Didsbury, Division 6; Mr. A.G. Butler, Water Valley, Division 3; Mr. Ray Good, Carstairs, Division 4; Mrs. Chris Neilson, Sundre, Division 5.

The Convention closed with the singing of "God Save The King."

Canadian Legion Auxiliary Elects New President

There was a good attendance at the first fall meeting of the Ladies' Auxiliary to the Canadian Legion held last Thursday evening in the Masonic banquet room. One application for membership was received and one member transferred in from the Red Deer branch.

The meeting accepted with regret the resignation of Mrs. George Thring as president, and Mrs. J. Freeman was elected to fill the vacancy. Mrs. Thring was president for two years and worked hard in the interests of the Auxiliary.

The Auxiliary is completing the purchase of 200 settings of silver and hopes to soon have these on hand. Mrs. Barrett presented a gavel made by Miss Dorothy Barrett, to the branch and this was very much appreciated.

The Auxiliary was contacted in regard to having a "Shower of Quarters" in aid of the Parcels for Britain Fund. Any member not present at the meeting who wishes to donate to this worthy cause is asked to forward their donation to the secretary, Mrs. Dorothy Jenkins.

SHOOTS BLACK BEAR

A black bear was shot recently by W. Mork of Cremona as it approached Jerry Simington's cabin, 3 miles west of Cremona. The pantry had been raided a number of times during Simington's absence, and the bear was believed to be the culprit.

Harvest Worker Is Badly Burned

Charles Bird, combine operator, was burned severely on one arm on Wednesday, September 28, when gasoline became ignited as he was filling the tank of the combine on the farm of David Taylor, six miles east of Cremona. The injured man was taken to the Didsbury Hopital. A nearby granary containing 100 bushels of grain was scorched before the flames were extinguished.

EDITORIAL

NATIONAL NEWSPAPER WEEK

October 2-9 is National Newspaper Week and weekly newspapers once a year endeavor to remind readers of the all importance of the local paper to the community in which it is published.

While a newspaper is usually operated by the publisher for profit—if a profit is possible—this is not the only reason for publication. The life work of anyone must necessarily take some form of occupation which brings enjoyment, as well as usefulness to fellow men, and your editor and publisher feels that in his chosen vocation he is also to some extent adding to the enjoyment of the readers as well as the future expansion of the town and district served. If the business of publishing a paper is profitable we try to pass along some of the profit to the district we serve by enlarging our services and turning out a better product.

A newspaper is a community undertaking and only with the co-operation of readers and the newsy items reported by them can a local paper even partially attempt to cover the district served. In the case of "The Didsbury Pioneer" the correspondents and individuals reporting news have been the main reason for the large percentage of local news carried each week.

The publisher takes some pride in the paper published in Didsbury and the community should feel that it has played a part in keeping the home town product above the average paper published across the Dominion. The Didsbury Pioneer did not win any top honors in the Better Newspapers Competitions of the Canadian Weekly Newspapers Association this year, but it is interesting to note that the home town paper placed sixth in its class for the best all-round weekly newspaper published in Canada. The front page of The Pioneer—the show window of the paper—was judged separately and the home town product placed fifth in the Dominion.

A good newspaper is an asset to any community and with messages from business places each week will bring more and more customers to the town and local stores. After all, people do shop where they are invited to shop, especially when goods and services are satisfactory and the trading town offers some advantages that are not available elsewhere.

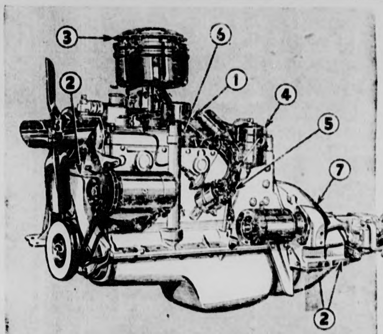
You Save Money
with the
DODGE
L-Head Engine . . .
A PART OF DODGE
DEPENDABILITY



YOU SAVE MONEY every mile you drive with the Dodge simple-design L-Head engine. There are fewer moving parts to wear. Oil filter, floating oil intake, and air cleaners keep carbon and dirt from moving parts to reduce wear. Such "extra" features as four rings per piston, full length water jackets, lightweight alloy pistons and alloy exhaust valve seat inserts, result in savings on gas, oil, and repairs.

Other leading features of the economical Dodge engine are explained on the right. But in many other ways Dodge gives you *more* for your money.

You could pay much more, and still not get all of Dodge roominess, beauty and ruggedness. Test for yourself the generous head, leg, and elbow room. Compare the "outlook" through the high, wide windshield. Note how easy it is to get in and out. Try out the new Dodge on the road and discover for yourself its flashing performance, driving ease, safety, and riding smoothness.

No matter which way you look at it, your dollars will go further with Dodge . . . and so will you.

CHECK THESE "EXTRA" FEATURES WHICH ARE STANDARD EQUIPMENT ON THE NEW DODGE. Automatic electric choke; Automatic ignition key starting; Aluminum alloy pistons; Four rings per piston; Low pressure tires; Chain camshaft drive; Oil bath air cleaner; Oil filter; Floating oil intake; Hotchkiss drive; Safety-Rim wheels; Floating Power engine mounting; Chair-height seats; Full-width defroster vents.

1 **L-HEAD OPERATION** is quieter, as all moving parts are inside the block. Fewer parts to wear or work loose assure longer life. Simple construction allows easy maintenance.

2 **FLOATING POWER** is the name given to the scientific Dodge method of mounting the engine on the chassis so that engine vibration is not transmitted to the body. Results in smooth, quiet operation and long car life.

3 **OIL BATH AIR CLEANER** filters the air before it enters the carburetor. By keeping dust out of the engine, it cuts down repairs and lengthens engine life.

4 **OIL FILTER** of micronic type, filters even the smallest particles of carbon or dirt out of the oil and so reduces wear on bearings and cylinder walls for long, trouble-free engine life.

5 **WEATHERPROOF IGNITION SYSTEM** gives maximum protection against water and dirt for dependable all-weather operation. Distributor has a new splash-proof cap. Centre distributor brush has a 10,000 ohm carbon suppressor which allows a wider spark gap setting for better idling and low-speed performance.

6 **AUTOMATIC CHOKE** The choke enriches the mixture by automatically reducing the proportion of air drawn through the carburetor during warm-up, to provide easy starting under all weather conditions. Saves fuel by preventing too rich an operating mixture.

7 **FLUID DRIVE** on Custom Dodge models lets you drive, relaxed, in high gear most of the time. It is particularly effective on wet pavement, ice or mud, allowing smooth transfer of power without stalling. The Custom Dodge is still the lowest-priced car in Canada with Fluid Drive as standard equipment.

New Game Bird To Be Released In U. S.

One of the world's great game birds, the capercaille is being introduced into the United States on little Outer Island in Lake Superior.

The huge Egyptian bird known also as the cock of the woods, has thrived for centuries from the Pyrenees to Siberia but is a stranger to America.

An attempt to introduce it in Michigan years ago failed. Too much competition from the hunters before it was established was given as the major reason.

The try is the first big test of the U.S. Wildlife Service's new campaign to bring as many new exotic game and fish to this country as possible.

Gardiner Bumpy, New York biologist, was assigned to direct the program. He has been in Europe getting 60 capercailles for shipment.

The capercaille is a large grouse weighing up to 12 pounds. It is dark colored with deep brown feathers and a metalic green breast. It can stand almost any kind of weather and has been known to live through the severest winter with only a few pine needles for food.

Wildlife investigators surveyed the entire United States for a long time before finally deciding the Outer Island would give the best chance for survival.

On Outer Island, the new capercailles will not have to contend with the hunters. If the birds are established there, they will be introduced on other islands and finally on the mainland.

BUY SEED EARLY

Farmers requiring seed wheat for next year are advised by A.M. Wilson, Alberta's field crop commissioner, to obtain their supplies this fall. Good quality seed is likely to be less plentiful than for some time because of second growth weeds, hail, and frost. In addition, the percentage of wild oats this year is higher in many districts than for some years. Mr. Wilson states that in most districts there is some high quality grain and that farmers will be well advised to speak to the owner as soon as possible about purchasing their needs.

There is a good supply of registered seed available in the province this year and, for a small additional cost, farmers are assured of seed possessing a high degree of purity and of strong germinating ability. If at all possible farmers should purchase registered seed.

REST AND HEALTH

(Royal Bank Letter)

The high price paid by so many men for what they get out of life need not be exacted at all. They are not realists. Persons who complain of "pressure" of modern life, but neglect ordinary precautions; persons who bewail the loss of their youthful vigour without finding compensating factors; these are intellectually immature.

The layman cannot be sure of his physical perfection, no matter how well he feels. He needs to co-operate with a competent and understanding physician, to listen to his advice—and follow it.

But don't delude yourself. Next worst thing to not giving a physician a chance periodically to keep you in tip-top shape is to satisfy your nagging conscience by doing it half heartedly. A superficial incomplete or hurried examination is to be unqualifiedly condemned. The false security it builds is disastrous self-cheating.

Likely the doctor will say you need more rest, and however you may pooh-pooh it, the chances are one hundred-to-one that he is right. Most of us do not quit until we have gone beyond the point of normal fatigue and have even exhausted our capacity for "running on our nerve." We borrow against our capital reserves. We put up as collateral such temporary aids as emotional goads, coffee, alcohol and "the demands of life." The only only way to get out of the red is by rest.

To many persons, time taken out for rest seems a total loss instead of an investment. Adults like children, can find many excuses for not going to bed, regardless of consequence. The man who is determined on managing his mind for the good of his mental and physical health will take this situation in hand.

Strangely enough, nine out of ten such men will find that they get more things done per day on the average, and better done.

Not only time in bed is to be counted as resting. Short periods of relaxation spaced throughout the day result in far less fatigue for the total work accomplished than when one attempts to carry on in a long stretch. One may relax when walking along the street, by flexing his muscles and diverting his mind to things around him. One man we know seizes the opportunities given him by red traffic lights to settle down in his car momentarily and relax. That kind of intelligent treatment of oneself is efficiency; the most inefficient way of handling tiredness and pressure is to take stimulants or drugs.

The per capita consumption of food in the U.S. is about 1600 lbs.

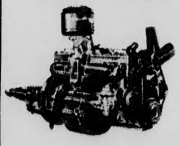
ENJOY THE THRILL OF DRIVING

"The New Thrill!"

A PRODUCT OF GENERAL MOTORS

THE "RIDE THRILL"



Everywhere they're saying, "How's it done—how *can* a car ride so smoothly?" We can tell you part of the secret is in Oldsmobile's Rigid X-member Frame, cushioned on great deep coil springs at every corner . . . its needle-bearing universal joints and double-acting shock absorbers. But most important of all, there's the miracle-smooth power of Oldsmobile's new Big Six Engine, now even *more* powerful and smooth than ever before!

THE "STYLE THRILL"

You don't *have* to own an Oldsmobile to enjoy *this* thrill! Just to watch the lovely profile of a Futuramic Beauty roll by on the road will give you a lift. But *only* the owner can experience *all* of Oldsmobile's "Style Thrill" . . . not just that fleet-flowing first-glance smartness, but the painstaking perfection of every last detail, outside and in. You'll enjoy *that* beauty more and more through all the years you proudly drive your Futuramic Oldsmobile!

REDEEMER LUTHERAN CHURCH

"The Church of the Lutheran Hour"
Rev. E. B. Fox, Pastor

Sunday, October 9, the celebration of National Thanksgiving Day, service at 11 a.m., with Rev. J.E. Herzer, professor of Concordia College, Edmonton, as guest speaker. Sunday School and Adult Bible Class following the service.

CORN IMPROVEMENT PROGRAM

The Dominion experimental station at Morden, Manitoba, has begun a corn improvement program aimed at developing hybrids adapted to Western Canada. Characteristics required include early maturity, high yield, drought and disease resistance, ability to germinate and grow at low temperatures, and a plant type adapted to mechanical harvesting.

Good crowds have been attending the programs of the Lacy Trio, internationally known for their unique rendering and interpretation of sacred music, which commenced performances in the Evangelical Church on Saturday evening, October 1st, and will continue every evening this week with the closing program on Sunday evening, October 9.

At these meetings those attending also have the privilege of hearing Miss Louise Lear, well known for her evangelistic fervor and dynamic personality.

You are cordially invited to attend the balance of these special programs at the Evangelical church for the remainder of the week.

-: DISTRICT NEWS :-

MOUNTAIN VIEW

The big dance is this Friday, October 7, at the Mountain View hall with Krebs' orchestra. Everyone welcome.

Mr. and Mrs. Keith Lindsay, Don Kitchen and Mrs. Alfred Wheeler, all of Nanton, stopped in on their way home from Edmonton to see Mr. and Mrs. B. Elliott on Monday.

Mr. and Mrs. Barney Elliott and daughter moved into their new home on Tuesday.

Mrs. J. Worrall and Mrs. John Bruce spent Friday visiting with Mrs. Art Gebers.

Mr. and Mrs. Dwayne Fobes have named their new daughter Judith Ann.

Mr. and Mrs. Wagner and son, Ernie, were dinner guests of Mr. and Mrs. Otto Bittner on Sunday.

Mr. and Mrs. J. Worrall visited with the O. Bittners Sunday afternoon.

Mr. and Mrs. C. Trenholm visited with Mr. and Mrs. L. Hunter Thursday evening.

Mr. and Mrs. John Bruce attended the fortieth wedding anniversary party of Mr. and Mrs. Ernie Scott in Olds on Saturday evening.

BERGEN NEWS NOTES

Mrs. Ivor Erickson was hostess this month to the Bergen Ladies' Aid. There was a good attendance and the ladies spent the afternoon pulling wool.

Mrs. Ells invited the members to her home for the next meeting, which will be held on Monday, October 31. The Misses Marie and Esther Erickson served a lovely lunch, bringing the afternoon to a close.

Mrs. Hendry, mother of Mrs. Louis Lund of Sundre, passed away Wednesday morning in the Olds hospital. Funeral services were held on Sunday. We extend our sincere sympathy to Mr. and Mrs. Lund.

Miss Mildren Olsen is home after spending a number of months in an Edmonton hospital.

In recent inter-school baseball games Bergen won from Red Deer Valley in a game played at Red Deer Valley school. Bergen was also victorious over Inverness, this game being played at Bergen.

Mrs. George Admussen had a very unwelcome visitor recently. Home alone with the baby a black bear came to call and although Mrs. Admussen shouted and slammed the door Mr. Bear refused to leave. Egil Erickson was passing by on the road on the tractor just then, and hearing the tractor Mrs. Admussen took the baby in her arms and ran for the road, having the presence of mind to first lock the door so that the bear could not push it open. Mr. Erickson then took Mrs. Admussen and the baby over to Mrs. Fred Admussen's place and Egil and Fred returned with a rife. The bear bounded away into the bush before they could get a shot at him. I guess we will have to call on Martin Arneson, the bear catching expert, who caught one two years ago when it was bothering a number of homes, or else we women will be afraid to stay home alone.

Those from Bergen attending the wedding of Miss Lillian Cooper and Mr. Walter Gamble in Calgary on Thursday were Mr. and Mrs. Harvey Wideman, Mrs. Solveig Clarke, Mrs. Trygue Haug and Rev. Smallee, who performed the ceremony.

UNITED CHURCH SERVICES

Sunday services at the United Church will be held as follows: Didsbury: 11 a.m., Church School for all ages. 7.45 p.m., Evening worship. Story for Young People. Music led by choir. 9 p.m., Young People's Union in the schoolroom. Westcott: 11 a.m., Morning Worship followed by Sunday School for all ages. Westerdale: 3 p.m., Public Worship followed by Sunday School for all ages. Thanksgiving services with suitable music will be the order of the day at all points. Minister, Rev. J.W. Bainbridge, M.A. B.D.

Skinny men, women gain 5, 10, 15 lbs.

Get New Pep, Vim, Vigor

What a thrill! Bony limbs fill out; ugly hollows fill up; neck no longer scrawny; body loses half-starved, sickly "bean-pole" look. Thousands of girls, women, men, who never could gain before, are now proud of shapely, healthy-looking bodies. They thank the special vigor-building, flesh-building tonic, Ostrex. Its tonics, stimulants, invigorators, iron, vitamin B1, calcium, enrich blood, improve appetite and digestion so food gives you more strength and nourishment; put flesh on bare bones. Don't fear getting too fat. Stop when you've gained the 5, 10, 15 or 20 lbs. you need for normal weight. [illegible] little. New "get acquainted" size only 60c. Try famous Ostrex Tonic Tablets for new vigor and added pounds, this very day. At all druggists.

BURNSIDE NEWS

Mr. William McCulloch Sr. visited last week at the home of his son, Bob.

Bill Persinger is spending a few days at the home of his sister, Mrs. Ivor Weber. Bill is heavy on the shovel digging spuds.

Mrs. Mardon and Charlie were Calgary visitors last week.

Bob McCulloch is preparing to take a position in the oil fields, where his brother, Lewis, is a big drilling contractor. Bob will be operating his own caterpillar tractor.

Phil McNeil has purchased a new Fargo one-ton truck and John Kohut a new diesel John Deere tractor. Mike Page was also seen driving a new John Deere tractor home Saturday evening.

Brian Page of the R.C.A.F., Edmonton, is home on a month's furlough.

Mr. and Mrs. Phil McNeil visited at the Mardon home Sunday afternoon.

CREMONA NOTES

Miss Delhia Habermehl is visiting with her grandparents at Winfield.

Miss Nola Waterstreet and Miss Evelyn Heddinger were Sunday visitors at Banff.

Others from the Cremona district seen at Banff on Sunday were Mr. and Mrs. Clarence Reid and family, Mr. and Mrs. Bud McBain, Mr. and Mrs. Allan Frizzell, Miss Shirley Frizzell, Mr. John Klys, Miss Rena Rohyam and Mr. and Mrs. Lorne Grant.

Mrs. H. Hoffman, Mrs. W. Hoffman, Mrs. C. Rodgers, Mrs. L. Parsons and Mrs. R. Parsons were afternoon guests at the home of Mrs. D. McLeod last Friday. Mrs. McLeod plans to move to Sundre in the near future, and the ladies presented her with a pair of pinking shears as a token of remembrance.

Noticed among the many at the show Saturday night was Mr. Jack Wannamaker of Fallen Timber.

Best wishes go out to Mrs. M. Hewitt, who left Monday to undergo an operation in a Calgary hospital.

Mr. and Mrs. Clarence Reid and Warren, Mr. and Mrs. Bud McBain, and Miss Nola Waterstreet all had the thrill of riding on the chair lift at Banff on Sunday.

NOTES FROM EAST

The Lone Pine W.I. meeting will be held next Wednesday, October 12, at the home of Mrs. Chris Ehret. All ladies are to bring articles they have finished for the bazaar.

Best wishes go out to little Ann Sheils, who fell from her horse and broke her arm while riding to school.

Sincerest sympathy is extended to Mrs. Mac Dundas and family of Allingham in their sad bereavement.

Mrs. Lucy Thompson and Teddy Wheel of Calgary were Sunday afternoon visitors at the Alfie Thompson home. Mr. and Mrs. Ralph Eaton of Acme were also Sunday visitors at the Thompson home.

Mr. and Mrs. George Stuart of Ontario, who have been visiting Mr. and Mrs. Sam Elliott for some time, left Sunday for their home in the East.

Mr. and Mrs. Walter McCulloch were Calgary visitors Monday.

Sunday evening visitors at the Alfie Thompson home were Mr. and Mrs. Bruce Sheils, Mr. and Mrs. Nelson McLean, Mr. and Mrs. Herb Ziegler, Mr. and Mrs. Pete Schumaker and Mr. George Long.

Quite a number of people were present at Lone Pine hall Sunday to hear the Lacy trio sing, and it is reported that the program was an excellent one.

Miss Evelyn Elliott, who has been helping her sister, Mrs. Lorraine Hunter, has now returned to her home.

The East Didsbury Beef Calf Club would like to increase its membership and anyone interested should contact Mr. Sandy Brander or Mr. Bruce Sheils.

Congratulations to Mr. and Mrs. Frank Moon (nee Esther Ehret) on the birth of a son.

Mr. Fred Metz visited Sunday with Mr. and Mrs. Wilson.

A number of relatives visited Monday with Mr. Cornie Neufeld and family.

We are sorry to hear that Mrs. Floyd Ahlgrim lost about 30 laying hens and hope that the culprit will soon be apprehended.

Commercial vegetable processing plants in Southern Alberta put up a pack this year valued at over $5 million.

The layman cannot be sure of his physical perfection, no matter how well he feels. He needs to co-operate with a competent and understanding physician, to listen to his advice—and follow it.

But don't delude yourself. Next worst thing to not giving a physician a chance periodically to keep you in tip-top shape is to satisfy your nagging conscience by doing it half heartedly. A superficial incomplete or hurried examination is to be unqualifiedly condemned. The false security it builds is disastrous self-cheating.

Likely the doctor will say you need more rest, and however you may pooh-pooh it, the chances are one hundred-to-one that he is right. Most of us do not quit until we have gone beyond the point of normal fatigue and have even exhausted our capacity for "running on our nerve." We borrow against our capital reserves. We put up as collateral such temporary aids as emotional goads, coffee, alcohol and "the demands of life." The only only way to get out of the red is by rest.

To many persons, time taken out for rest seems a total loss instead of an investment. Adults like children, can find many excuses for not going to bed, regardless of consequence. The man who is determined on managing his mind for the good of his mental and physical health will take this situation in hand.

Strangely enough, nine out of ten such men will find that they get more things done per day on the average, and better done.

Not only time in bed is to be counted as resting. Short periods of relaxation spaced throughout the day result in far less fatigue for the total work accomplished than when one attempts to carry on in a long stretch. One may relax when walking along the street, by flexing his muscles and diverting his mind to things around him. One man we know seizes the opportunities given him by red traffic lights to settle down in his car momentarily and relax. That kind of intelligent treatment of oneself is efficiency; the most inefficient way of handling tiredness and pressure is to take stimulants or drugs.

The per capita consumption of food in the U.S. is about 1600 lbs.

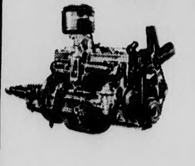
ENJOY THE THRILL OF DRIVING
"The New Thrill!"

A PRODUCT OF GENERAL MOTORS

THE "RIDE THRILL"



Everywhere they're saying, "How's it done—how *can* a car ride so smoothly?" We can tell you part of the secret is in Oldsmobile's Rigid X-member Frame, cushioned on great deep coil springs at every corner . . . its needle-bearing universal joints and double-acting shock absorbers. But most important of all, there's the miracle-smooth power of Oldsmobile's new Big Six Engine, now even *more* powerful and smooth than ever before!

THE "STYLE THRILL"

You don't *have* to own an Oldsmobile to enjoy *this* thrill! Just to watch the lovely profile of a Futuramic Beauty roll by on the road will give you a lift. But *only* the owner can experience *all* of Oldsmobile's "Style Thrill" . . . not just that fleet-flowing first-glance smartness, but the painstaking perfection of every last detail, outside and in. You'll enjoy *that* beauty more and more through all the years you proudly drive your Futuramic Oldsmobile!

REDEEMER LUTHERAN CHURCH

"The Church of the Lutheran Hour"
Rev. E. B. Fox, Pastor

Sunday, October 9, the celebration of National Thanksgiving Day, service at 11 a.m., with Rev. J.E. Herzer, professor of Concordia College, Edmonton, as guest speaker. Sunday School and Adult Bible Class following the service.

CORN IMPROVEMENT PROGRAM

The Dominion experimental station at Morden, Manitoba, has begun a corn improvement program aimed at developing hybrids adapted to Western Canada. Characteristics required include early maturity, high yield, drought and disease resistance, ability to germinate and grow at low temperatures, and a plant type adapted to mechanical harvesting.

Good crowds have been attending the programs of the Lacy Trio, internationally known for their unique rendering and interpretation of sacred music, which commenced performances in the Evangelical Church on Saturday evening, October 1st, and will continue every evening this week with the closing program on Sunday evening, October 9.

At these meetings those attending also have the privilege of hearing Miss Louise Lear, well known for her evangelistic fervor and dynamic personality.

You are cordially invited to attend the balance of these special programs at the Evangelical church for the remainder of the week.

-: DISTRICT NEWS :-

MOUNTAIN VIEW

The big dance is this Friday, October 7, at the Mountain View hall with Krebs' orchestra. Everyone welcome.

Mr. and Mrs. Keith Lindsay, Don Kitchen and Mrs. Alfred Wheeler, all of Nanton, stopped in on their way home from Edmonton to see Mr. and Mrs. B. Elliott on Monday.

Mr. and Mrs. Barney Elliott and daughter moved into their new home on Tuesday.

Mrs. J. Worrall and Mrs. John Bruce spent Friday visiting with Mrs. Art Gebers.

Mr. and Mrs. Dwayne Fobes have named their new daughter Judith Ann.

Mr. and Mrs. Wagner and son, Ernie, were dinner guests of Mr. and Mrs. Otto Bittner on Sunday.

Mr. and Mrs. J. Worrall visited with the O. Bittners Sunday afternoon.

Mr. and Mrs. C. Trenholm visited with Mr. and Mrs. L. Hunter Thursday evening.

Mr. and Mrs. John Bruce attended the fortieth wedding anniversary party of Mr. and Mrs. Ernie Scott in Olds on Saturday evening.

BERGEN NEWS NOTES

Mrs. Ivor Erickson was hostess this month to the Bergen Ladies' Aid. There was a good attendance and the ladies spent the afternoon pulling wool.

Mrs. Ells invited the members to her home for the next meeting, which will be held on Monday, October 31. The Misses Marie and Esther Erickson served a lovely lunch, bringing the afternoon to a close.

Mrs. Hendry, mother of Mrs. Louis Lund of Sundre, passed away Wednesday morning in the Olds hospital. Funeral services were held on Sunday. We extend our sincere sympathy to Mr. and Mrs. Lund.

Miss Mildren Olsen is home after spending a number of months in an Edmonton hospital.

In recent inter-school baseball games Bergen won from Red Deer Valley in a game played at Red Deer Valley school. Bergen was also victorious over Inverness, this game being played at Bergen.

Mrs. George Admussen had a very unwelcome visitor recently. Home alone with the baby a black bear came to call and although Mrs. Admussen shouted and slammed the door Mr. Bear refused to leave. Egil Erickson was passing by on the road on the tractor just then, and, hearing the tractor Mrs. Admussen took the baby in her arms and ran for the road, having the presence of mind to first lock the door so that the bear could not push it open. Mr. Erickson then took Mrs. Admussen and the baby over to Mrs. Fred Admussen's place and Egil and Fred returned with a rife. The bear bounded away into the bush before they could get a shot at him. I guess we will have to call on Martin Arneson, the bear catching expert, who caught one two years ago when it was bothering a number of homes, or else we women will be afraid to stay home alone.

Those from Bergen attending the wedding of Miss Lillian Cooper and Mr. Walter Gamble in Calgary on Thursday were Mr. and Mrs. Harvey Wideman, Mrs. Solveig Clarke, Mrs. Trygue Haug and Rev. Smallee, who performed the ceremony.

UNITED CHURCH SERVICES

Sunday services at the United Church will be held as follows: Didsbury: 11 a.m., Church School for all ages. 7.45 p.m., Evening worship. Story for Young People. Music led by choir. 9 p.m., Young People's Union in the schoolroom. Westcott: 11 a.m., Morning Worship followed by Sunday School for all ages. Westerdale: 3 p.m., Public Worship followed by Sunday School for all ages. Thanksgiving services with suitable music will be the order of the day at all points. Minister, Rev. J.W. Bainbridge, M.A. B.D.

Skinny men, women gain 5, 10, 15 lbs.
Get New Pep, Vim, Vigor
What a thrill! Bony limbs fill out; ugly hollows fill up; neck no longer scrawny; body loses half-starved, sickly "bean-pole" look. Thousands of girls, women, men, who never could gain before, are now proud of shapely, healthy-looking bodies. They thank the special vigor-building, flesh-building tonic, Ostrex. Its tonics, stimulants, invigorators, iron, vitamin B1, calcium, enrich blood, improve appetite and digestion so food gives you more strength and nourishment; put flesh on bare bones. Don't fear getting too fat. Stop when you've gained the 5, 10, 15 or 20 lbs. you need for normal weight. Costs little. New "get acquainted" size only 60c. Try famous Ostrex Tonic Tablets for new vigor and added pounds, this very day. At all druggists.

BURNSIDE NEWS

Mr. William McCulloch Sr. visited last week at the home of his son, Bob.

Bill Persinger is spending a few days at the home of his sister, Mrs. Ivor Weber. Bill is heavy on the shovel digging spuds.

Mrs. Mardon and Charlie were Calgary visitors last week.

Bob McCulloch is preparing to take a position in the oil fields, where his brother, Lewis, is a big drilling contractor. Bob will be operating his own caterpillar tractor.

Phil McNeil has purchased a new Fargo one-ton truck and John Kohut a new diesel John Deere tractor. Mike Page was also seen driving a new John Deere tractor home Saturday evening.

Brian Page of the R.C.A.F., Edmonton, is home on a month's furlough.

Mr. and Mrs. Phil McNeil visited at the Mardon home Sunday afternoon.

CREMONA NOTES

Miss Delhia Habermehl is visiting with her grandparents at Winfield.

Miss Nola Waterstreet and Miss Evelyn Heddinger were Sunday visitors at Banff.

Others from the Cremona district seen at Banff on Sunday were Mr. and Mrs. Clarence Reid and family, Mr. and Mrs. Bud McBain, Mr. and Mrs. Allan Frizzell, Miss Shirley Frizzell, Mr. John Klys, Miss Rena Rohyam and Mr. and Mrs. Lorne Grant.

Mrs. H. Hoffman, Mrs. W. Hoffman, Mrs. C. Rodgers, Mrs. L. Parsons and Mrs. R. Parsons were afternoon guests at the home of Mrs. D. McLeod last Friday. Mrs. McLeod plans to move to Sundre in the near future, and the ladies presented her with a pair of pinking shears as a token of remembrance.

Noticed among the many at the show Saturday night was Mr. Jack Wannamaker of Fallen Timber.

Best wishes go out to Mrs. M. Hewitt, who left Monday to undergo an operation in a Calgary hospital.

Mr. and Mrs. Clarence Reid and Warren, Mr. and Mrs. Bud McBain, and Miss Nola Waterstreet all had the thrill of riding on the chair lift at Banff on Sunday.

NOTES FROM EAST

The Lone Pine W.I. meeting will be held next Wednesday, October 12, at the home of Mrs. Chris Ehret. All ladies are to bring articles they have finished for the bazaar.

Best wishes go out to little Ann Sheils, who fell from her horse and broke her arm while riding to school.

Sincerest sympathy is extended to Mrs. Mac Dundas and family of Allingham in their sad bereavement.

Mrs. Lucy Thompson and Teddy Wheel of Calgary were Sunday afternoon visitors at the Alfie Thompson home. Mr. and Mrs. Ralph Eaton of Acme were also Sunday visitors at the Thompson home.

Mr. and Mrs. George Stuart of Ontario, who have been visiting Mr. and Mrs. Sam Elliott for some time, left Sunday for their home in the East.

Mr. and Mrs. Walter McCulloch were Calgary visitors Monday.

Sunday evening visitors at the Alfie Thompson home were Mr. and Mrs. Bruce Sheils, Mr. and Mrs. Nelson McLean, Mr. and Mrs. Herb Ziegler, Mr. and Mrs. Pete Schumaker and Mr. George Long.

Quite a number of people were present at Lone Pine hall Sunday to hear the Lacy trio sing, and it is reported that the program was an excellent one.

Miss Evelyn Elliott, who has been helping her sister, Mrs. Lorraine Hunter, has now returned to her home.

The East Didsbury Beef Calf Club would like to increase its membership and anyone interested should contact Mr. Sandy Brander or Mr. Bruce Sheils.

Congratulations to Mr. and Mrs. Frank Moon (nee Esther Ehret) on the birth of a son.

Mr. Fred Metz visited Sunday with Mr. and Mrs. Wilson.

A number of relatives visited Monday with Mr. Cornie Neufeld and family.

We are sorry to hear that Mrs. Floyd Ahlgrim lost about 30 laying hens and hope that the culprit will soon be apprehended.

Commercial vegetable processing plants in Southern Alberta put up a pack this year valued at over $5 million.

Mrs. J. Thompson of Winnipeg recently visited friends in Didsbury and relatives in Calgary, and also was a guest at the Gamble-Cooper wedding.

Mr. and Mrs. A.D. Schmidt of Abbottsford, B.C., are visiting relatives and friends in the Didsbury district.

Mr. Ed Rouleau left Sunday for Carbon where he will join Mr. Len Poxon, Mr. Francis Poxon and Mr. Jim Flaws for a goose hunting trip in the Acadia Valley area. He was accompanied as far as Drumheller by Mrs. Rouleau and Winona, who will visit for several days at the home of the former's mother, Mrs. W. Poxon.

—Dances will be held in the Melvin hall on the following dates: October 14, Thoms orchestra; November 11, Krebs orchestra; November 25, Harold Anderson's orchestra; New Year's dance, Thoms orchestra. 40-2c

Mrs. Earl Brinton Jr. of Okotoks spent Saturday in Didsbury.

Mr. and Mrs. William McCulloch Sr. left Friday for a short holiday at Banff.

Mrs. K.G. Shannon and Eddie of Taber spent the weekend at her parental home in Didsbury.

Mr. and Mrs. C.E. Tuggle left last week on an extended visit at Clay Centre and Gardiner, Kansas. At Gardiner Mr. and Mrs. Tuggle attended a reunion of old school chums in the old school.

—SEE THE U.F.A. FOR COAL. Call the Pool elevator or see Charlie Dickau.

Mr. and Mrs. Ira Gamble, Mr. and Mrs. R.G. Stevens, Howard and Faith, with relatives and friends from Bergen attended the Gamble-Cooper wedding and reception last Thursday.

Dr. and Mrs. H.W. Epp were Calgary visitors last Wednesday and Thursday.

Born at Drumheller to Mr. and Mrs. John Gamble on September 25, a son, John.

The Afternoon Group of the Knox United Church W.A. will meet at the home of Mrs. Russel Gillrie on Friday, October 7. Members will meet at the church at 2.30 p.m.

WEST NOTES

Mrs. O. Krebs visited with Mrs. A. Gebers on Sunday.

Mrs. R. McNaughton spent Saturday afternoon visiting Mrs. A.L. Hogg.

We are sorry to hear of the illness of Mr. Orville Blain, who is a patient in the Didsbury hospital, and wish him a speedy recovery.

Four elk were seen on the road near the Evans' corner last week.

Showers during the night on Friday and Saturday put a stop to threshing. A few fields have yet to be completed.

Mr. and Mrs. Gordon Befus spent the weekend in Calgary.

Among those calling on Mrs. W. Blain Wednesday afternoon were Mrs. D. Hosegood, Mrs. A.L. Hogg and Mrs. Alex Blain.

Mrs. Block and Janet were weekend visitors with Mr. and Mrs. O. Thompson, and Bryce was home for the week end from Banff.

Mrs. O. Krebs and Jean visited Mr. and Mrs. A.L. Hogg Wednesday afternoon.

Mr. and Mrs. P. Luft were supper guests with Mr. and Mrs. W. Cook on Sunday.

Mr. and Mrs. J. Luft and Wilma and Mr. and Mrs. P. Luft and family were among those attending the wedding of Miss Margaret Luft in Calgary on Wednesday, Sept. 21.

Mr. and Mrs. Vic Snydmiller and Mrs. Edie Campbell visited Sunday with Mr. and Mrs. R. Sutherland.

Mrs. K. Konschuh and Mrs. R. Befus attended the school trustees' convention in Didsbury Wednesday morning.

FOR SALE—Calves from freshening cows. Apply to W.J. Scheidt. 40-2c

IN MEMORIAM

In memory of a loving Husband and Father, Wilson Blain, who passed away October 3, 1948, and Son and Brother, Kitchener Blain, who passed away Dec. 12, 1946.

"His smiling way and pleasant face,
Are a pleasure to recall.
He had a kindly word for each,
And died beloved by all.
Some day we hope to meet him,
Some day, we know not when,
To clasp his hand in the better land
Never to part again."

Ever remembered by Wife, Mother and Family.
